PRIME DEVELOPMENT OPPORTUNITY IN BUDVA CENTER

<https://www.anchorproperties.site>

Long Description: Located in the heart of Budva, this 1,774m² parcel offers a prime opportunity for development. The project allows for a building footprint that maximizes the parcel's potential, with a total building density approved for 8,300m² above ground and 5,000m² for underground floors. The structure is designed for G+MZ+P+7-9 levels, providing ample space for [...]
